SENIOR HEALTH & WELLNESS

You want to keep your loved ones happy and healthy. We do too.

Franciscan Senior Health & Wellness is a member of the National PACE Association (Program of All-Inclusive Care for the Elderly.) The PACE model of care is centered around the belief that the well-being of seniors with chronic care needs, and their families, are better served in their own communities whenever possible.

PROGRAM ELIGIBILITY

- Age 55 or older
- Live in the Franciscan Senior Health & Wellness – PACE service area
- Have chronic health conditions that qualify for nursing home care
- Able to live safely in the community

COMPLETE HEALTH CARE

Franciscan Senior Health & Wellness is a complete health care solution for seniors who want to remain at home. We offer:

- Primary medical and nursing care
- Occupational, physical and speech therapy
- Medications and durable medical equipment
- Laboratory and diagnostic services
- All necessary prescription drugs
- Skilled home care and personal care aides
- Hospitalization, skilled nursing facility care
- Care from medical specialists in cardiology, nephrology, ophthalmology, dermatology, orthopedics, surgery, podiatry and more
- Medically necessary transportation

Our broad range of service providers, including doctors, nurses, pharmacists, therapists and personal care aides, are readily accessible. Through these services, we can manage the care of your aging loved one, and help avoid the illnesses and hospitalizations that seniors often face.

ENHANCING QUALITY OF LIFE

Our program enables seniors to live as independently as possible by providing truly all-inclusive services. In addition to addressing each participant's unique medical needs, we also help with the social, emotional and practical challenges that older adults often face. Through interactions with peers, stimulating activities and other supportive services, participants will enjoy a better quality of life.

We can manage the care of your aging loved one, and help avoid the illnesses and hospitalizations that seniors often face.
