RESILIENCE

THE BIOLOGY OF STRESS & THE SCIENCE OF HOPE

RESILIENCE: The Biology of Stress and the Science of Hope chronicles the promising beginnings of a national movement to prevent childhood trauma, treat toxic stress and greatly improve the health, education and life outcomes of future generations.

The Indiana Department of Education, Indiana Youth Services Association, Indiana School Mental Health Initiative, Indiana Division of Mental Health & Addictions, Indiana State Department of Health, Commission on Improving the Status of Children and the Indiana Department of Child Services are grateful to partner with each other to host regional screenings of the documentary RESILIENCE.

RESILIENCE DOCUMENTARY SCREENING WEDNESDAY JUNE 26

6-8PM | LIGHT REFRESHMENTS
WILL BE SERVED.

**CRAWFORDSVILLE
YOUTH SERVICE BUREAU**
808 W. Pike St., Crawfordsville, IN

All documentary screenings are free and open to the public on a first come, first serve basis and will be followed by a facilitated panel discussion.

 **Franciscan HEALTH**

Screenings across Indiana will lead up to a statewide event sponsored by Franciscan Health and hosted by Pike Township Schools featuring Dr. Robert Anda, one of the authors of the original Adverse Childhood Experiences Study (ACES).
